Confirming and Setting Benchmark Windows

End of the Year Benchmark Windows

- The default end of the year benchmark window begins on April 1st and ends on April 15th. Please note that many districts adjust the window during the initial implementation process, set the window to meet your needs.
- The best way to change or confirm your benchmark window is for a staff member with system or full access to contact Amplify's Support Team through email or live chat.
 - Email: help@amplify.com
 - Live Chat: accessed through the mCLASS Portal

Risk Indicator

- In order for the risk indicator to populate, a composite score must be calculated by giving all the measures PLUS Spelling or RAN.
- If the composite score is Well Below Benchmark **and** RAN or Spelling results are also Well Below Benchmark, the risk indicator will display as “flag” next to the student names to identify students at risk for reading difficulties, including those associated with dyslexia.
