February On Demand Office Hours Part 2: The Download Your Data (DYD) Report

mCLASS[®]
★ TEXAS

Download Your Data (DYD) Report:

- Helps school leaders flexibly analyze assessment data by exporting student records into a CSV file.

The screenshot shows the 'Amplify Reporting' interface for downloading data. The page title is 'Download Your Data'. It features a central form with the following fields:

- Assessment:** A dropdown menu currently showing '2015.1 8th Edition'.
- Program:** A checkbox labeled 'Program' and a button labeled 'ENROLL'.
- Domain:** A dropdown menu currently showing 'All Domains'.
- Grade:** A dropdown menu currently showing 'All Grades'.
- School Year:** A dropdown menu currently showing '2014-2015'.
- Period:** A dropdown menu currently showing '19-20-2014'.

At the bottom of the form are two buttons: 'Clear' and 'Download'.

On the right side of the page, there are two informational boxes:

- Updates:** A box with a circular icon and the text 'Read about recent changes to data exports. [Learn more](#)'.
- Data Dictionary:** A box with a document icon and the text 'View descriptions of each column in this data export. [Download](#)'.

Use the options on this page to refine the scope of the student results and enrollment data contained in your download.

Download Your Data (DYD) Report: Oral Language and Inventory Measures

- To include student level results for Oral Language and Inventory measures, check the boxes underneath the first drop down box.
