Skills 4

Activity Book

This Activity Book contains activity pages that accompany many of the lessons from the Teacher Guide for Unit 4. The activity pages are organized and numbered according to the lesson number and the order in which they are used within the lesson. For example, if there are two activity pages for Lesson 4, the first will be numbered 4.1 and the second 4.2. The activity pages in this book do not include written instructions for students because the instructions would have words that are not decodable. Teachers will explain these activity pages to the students orally, using the instructions in the Teacher Guide. The Activity Book is a student component, which means each student should have an Activity Book.

Take-Home

Dear Caregiver,

Your student is learning to read words printed in lowercase letters by saying individual sounds and blending them to read a word. Listed below are words your student should be able to read with practice. Please help your student cut out the word cards. Show each card to your student and have them read it. Encourage your student to read the whole word at once.

The process of blending sounds to read words is challenging. If necessary, assist your student by saying the individual sounds and have your student repeat the sounds after you. Ask your student to say the whole word (i.e., to blend the sounds into a word).

Your student may practice letter formation by copying the words on another sheet of paper.

Please retain these cards in addition to the previous cards for future practice.

Take-Home

Dear Caregiver,

Help your student cut out the letter cards. Show the cards to your student and have them **say the sounds, not the letter names**. Here are some words beginning with these sounds to help you: *fin*, *pin*, *hat*, *van*, *at*, *so*, *zoo*, *it*.

Arrange the cards to make the words *fin*, *pin*, *nap*, *van*, *fan*, *pan*, *hip*, *sip*, *sap*, *zip*, and *zap* and have your student blend and read the words.

Say one of the words listed above and ask your student to try to spell the word by selecting and arranging letter cards. Note that this is a challenging assignment at this point; you may need to say the word sound by sound and help your student with the spelling.

Dear Caregiver,

Help your student cut out the two circles. Attach the smaller circle on top of the larger circle with a brass fastener. Ask your student to spin the smaller circle to make words. Have your student blend and read the words they make. (If you do not have a brass fastener, write the letter in front of each group of letters and ask your student to read each word.)

To practice letter formation, ask your student to copy the words on a sheet of paper.
